

# Flexible, Part-Time or Full-Time Postdoctoral Position Available in Manhattan Private Practice

**We are seeking a postdoctoral fellow to join our growing practice for the 2024-2025 academic year!**

We are a small private practice based in New York City. The position is part-time **or** full-time. We utilize Evidence-Based Treatments (EBTs) for individuals across the lifespan, with a specific focus on adolescents and young adults. We offer competitive compensation, a steady stream of referrals, supervision, and administrative support. We will also provide you with a budget for training opportunities and conferences. We will assist postdoctoral fellows in building their own schedule and will provide supervision from a licensed psychologist.

Most of our referrals are for individuals presenting with anxiety, mood disorders, OCD, ADHD, behavioral difficulties, and/or parenting concerns. You will gain exposure to a range of Cognitive Behavioral Therapies (CBTs), such as exposure therapy, exposure and response prevention (E/RP), Dialectical Behavior Therapy (DBT), Acceptance and Commitment Therapy (ACT), and behavioral parent training (BPT).

## REQUIREMENTS

Applicants must have a Ph.D. or Psy.D. in Clinical, Counseling, or School Psychology and be on a path towards licensure. They also must have experience conducting individual therapy with individuals across the lifespan. The ideal candidate will be knowledgeable about and experienced in cognitive-behavioral therapies, and have strong organizational, interpersonal, and time-management skills. This position will be predominately virtual with the option to go into an office if the candidate is interested.

To apply, please send your cover letter, CV, and the name of three references to Dr. Josephson at **[anne@drannejosephson.com](mailto:anne@drannejosephson.com)** with the subject line "Private Practice Position." Applications must be received by **January 15, 2024**.
