

- Are you thinking of applying to **graduate school** in **psychology**?
- Are you looking for specific types of clinical training in **cognitive-behavioral therapy (CBT)**?
- Are you wondering how to learn more about potential **graduate school mentors**?

ABCT's Academic Training Committee has an online **Mentorship Directory** that may be helpful to you. Please follow the link below to learn more about this free online resource for both ABCT members and nonmembers who are applying to graduate school.
