

LIVE WEBINAR

Learn about the

OSTEO SCIENCE FOUNDATION OMS RESEARCH FELLOWSHIP

An unparalleled research and mentorship opportunity for those interested in a career in OMS

Chi T. Viet DDS, MD, PhD

Sarah Wong, DDS, PhD

Simon W. Young, DDS, MD, PhD

21 June, 2023 | 8:00 pm EDT

Learn about the OMS Research Fellowship from members of the Osteo Science Foundation Vanguard Committee and inaugural Research Fellow. This webinar is open to interested candidates, as well as program directors and those who work with research-minded dental students who are planning to enter an OMS residency. A recording of the webinar will be available on the Osteo Science Foundation website.
