

Never	Rarely	Sometimes	Frequently	
				Surgical Pathology
0	10	20	30	Do you write/dictate the staging worksheet part of reports in surgical pathology?
0	20	100	440	Do you write/dictate the final/preliminary diagnosis part of reports in surgical pathology?
0	20	40	60	Do you diagnose frozen sections to the surgeon before the fellow/attending reviews it?
				Cytopathology
0	20	40	100	Do you write/dictate the final/preliminary diagnosis part in cytopathology reports?
				Autopsy
0	10	30	50	Do you write/dictate autopsy reports?
				Clinical Pathology Reports
0	20	40	100	Do you write/dictate bone marrow reports?
0	10	30	50	Do you write/dictate flow cytometry reports?
0	10	40	70	Do you write/dictate peripheral smear reviews?
0	10	30	50	Do you write/dictate body fluid smear reviews?
0	10	20	40	Do you write/dictate microorganism identification reviews (outside AP)?
0	10	30	50	Do you write/dictate SPEP reports?
0	10	20	40	Do you write/dictate immunofluorescent ANA reports?
0	10	20	40	Do you write/dictate molecular pathology reports?
0	10	20	40	Do you write/dictate blood bank antibody reports?
0	10	20	40	Do you write/dictate transfusion reaction reports?
0	10	20	40	Do you write therapeutic apheresis notes?
0	5	10	20	Do you write/dictate hemoglobin electrophoresis / HPLC reports?
0	5	10	20	Do you write/dictate special coagulation reports (e.g. platelet aggregation)?
				Clinical Pathology Consultations
0	10	20	40	Are you called for daytime consultations with techs and clinicians in clinical chemistry?
0	10	20	40	Are you called for daytime consultations with techs and clinicians in hematopathology?
0	10	20	40	Are you called for daytime consultations with techs and clinicians in microbiology?
0	10	20	40	Are you called for daytime consultations with techs and clinicians in transfusion medicine?
0	10	20	40	Are you called for night and weekend consultations with in clinical chemistry?
0	10	20	40	Are you called for night and weekend consultations with in hematopathology?
0	10	20	40	Are you called for night and weekend consultations with in microbiology?
0	10	20	40	Are you called for night and weekend consultations with in transfusion medicine?
