

Touro University COM Students,

Your medical equipment, the tools of your trade, is a critical and expensive purchase. The instruments you buy will serve you for many years to come. For the 2021 academic year, your program will be working with John Pancratz from The Medical Store. The Medical Store is a family owned and operated company, which has been selling to the medical education community for over twenty-five years. Prices and service are excellent.

The faculty has determined which equipment they require you to have and what level of quality it needs to be. The Medical Store is offering all the equipment as a package (outlined below). The Standard Package Total is \$918.75. This pricing is extremely competitive when compared to what you may find on your own and includes a **90 day return policy, free student promotions and unconditional student warranties.** You can also **Personalize your Stethoscope with LASER Engraving for an additional \$9.95.**

HOW TO ORDER ONLINE

1. Go to <http://www.themedicalstore.biz>
2. Click "Schools & Organizations" at the top of the homepage.
3. Enter School Code **tucom2021**. This will give you access to your custom equipment package
4. Be sure to enter your SHIPPING ADDRESS in the FedEx text field on the ordering page. Your order will ship to the address you provide. A flat rate of \$12 will be included in your total.
