

2017-2018 ADEA AADSAS (Dental) Course Subjects

Biology

Anatomy
Bacteriology
Biodiversity
Bioengineering
Biological Anthropology
Biology
Biomedical Engineering
Biomedical Science
Biophysics
Biotechnology
Botany
Cellular & Molecular Biology
Cellular Biology
Cellular Physiology
Cytology/Cytotechnology
Developmental Biology
Ecology
Embryology
Endocrinology
Epidemiology
Eukaryotics
Evolution
Genetics
Genomics
Gynecology
Hematology
Histology
Immunology
Medical Technology
Medicine
Microbiology
Micro-Organisms
Molecular Biology
Neural Mechanisms
Neurobiology
Neurology
Neuroscience
Optometry
Parasitology
Pathology
Pathophysiology
Pharmacology
Pharmacy
Phlebotomy
Physiological Science
Physiology
Plant
Podiatry
Population Biology
Prokaryote Physiology

Sensorimotor Development
Surgery Tech
Toxicology
Virology
Zoology

Biochemistry

Biochemistry
Biological Chemistry
Biomolecules
Metabolism
Physical Biochemistry
Physiological Chemistry

Chemistry

Analytic Chemistry
Armchair Chemistry
Basic Chemistry
Bioorganic Chemistry
Chemistry
Inorganic Chemistry
Intro to Chemistry
Medical Chemistry
Organic Chemistry
Pharmaceutical Chemistry
Physical Chemistry
Structure & Bonds
Structure & Reaction

Physics

Electricity
Electricity & Light
Heat
Light
Magnetism
Mechanical Heat
Mechanics
Nuclear
Physics
Thermodynamics

Behavioral Science

Abnormal Psychology
Adolescent Psychology
Behavioral Sciences
Biological Psychology
Brain and Behavior
Child Psychology
Cognitive Psychology
Cognitive Science
Developmental Psychology

2017-2018 ADEA AADSAS (Dental) Course Subjects

Educational Psychology
Human Behavior
Human Development
Psychobiology
Psychology
Social Psychology
Sports Psychology

Other Science

Aerospace Studies
Agriculture
Algebra
Analytical Geometry
Animal Behavior
Animal Science
Astronomy
Athletic Training
Atmospheric Science
Audiology
Behavioral Statistics
Biobehavioral Health
Biomechanics
Biometry/Biometrics
Biostatistics
Calculus
Chemical Math
Chinese Internal Medicine
Clinical Sciences
Computer Programming
Computer Science
Conservation
Dental Hygiene
Dentistry
Dietetics
Disease
Earth Science
Electronics
Engineering
Entomology
Environmental Science
Exercise Physiology
Exercise Science
Food Science
Geology
Health Technology
Herbology
Human Movement
Kinesiology
Limnology
Linear Algebra
Locomotion Studies

Marine Biology
Marine Science
Math Analysis
Mathematics
Meteorology
Motor Control
Movement Science
Natural Resources
Natural Science
Nursing
Nutrition
Oceanography
Optics
Oriental Medicine
Physical Anthropology
Physical Geography
Physical Sciences
Plant Sciences
Radiology
Sonography
Speech and Hearing Science
Sports Medicine
Sports Sciences
Statistics
Therapeutic Exercise
Trigonometry
Veterinary

Non Science

Accounting
Acupuncture
Anthropology
Art
Archeology
Behavioral Sciences
Business
Bioethics (BIO dept.)
Careers in Healthcare
Chiropractic
Communications
Computers (Non-Programming/Software based)
Classics
CPR
Community Health
Economics
Education
EMT/Paramedic
Environmental Health
Ethics
Ethnic Studies
Finance

2017-2018 ADEA AADSAS (Dental) Course Subjects

Foreign Languages
Forensic Sciences
Forestry
First Aid
Geography
Gerontology
Global Health
Health Administration
Health Science
Health Services
Horticulture
History
Humanities
Human Sexuality
Kinesiology (PE, Weight Lifting, Fitness)
Linguistics
Logic
Massage Therapy
Management
Marketing
Medical Ethics
Music
Occupational Therapy
Personal Health
Philosophy
Physical Education
Physical Therapy
Political Science
Public Affairs/Administration
Public Health
Public Speaking
Rehab
Religion
Science Writing/Reading
Sociology
Social Work
Speech
Sports Administration
Teaching Science
Introduction to Theater
Wildlife Studies
Women's Studies

Literature
Medical Terminology
Poetry
Reading
Rhetoric
Technical Writing
Theater Literature
Writing

English

Basic Composition
Bible Literature
Composition
Creative Writing
English
English as a Second Language
Journalism
