

April 15 Acceptance Deadline Policy

In order to grant member schools enough time to complete their admissions processes and for applicants to make informed admissions decisions, schools will not require applicants to decide upon admissions offers, scholarships and financial aid, until April 15. To ensure applicant awareness of this policy, the schools will attach the policy to all admissions offer letters. If April 15 falls upon a weekend, the date will be shifted to the next Monday.

This policy does not apply to the following schools:

- International Schools
- Tuskegee University
