

Application instructions

We appreciate your interest in our internship program. You may apply to our program by one of the following processes:

- 1) If you have participated in the PASS application service within the past year, you may forward a copy of your application to me **or**
- 2) You may submit our program application (attached) along with the following materials:
 - Current copy of dental school transcripts (sent directly from registrar's office)
 - Three letters of recommendation (prefer at least 2 in OMFS) sent directly from the reviewer and including the following:
 - Deans letter - including current cumulative GPA, class rank, (including total number of students in class and GPA range for class), and NBDE and CBSE scores.
 - Two additional letters from faculty familiar with student's academic and clinical performance
 - Current CV
 - Personal essay of no more than one page that includes: your reasons for pursuing GPR training, personal qualifications, and both short-term and long-term career goals.
 - professional photograph

Please note that transcripts and letters of recommendation must be sent directly from the school's registrar's office or from the reviewer. The remaining items may be forwarded to me at the address below:
