

Babitha Asha, M.B.B.S., M.D. (Internal Medicine)

Mount Laurel, New Jersey

Babithaaashae@gmail.com | 617-513-4180

PROFESSIONAL SUMMARY

ECFMG-certified physician with over 10 years of experience in Internal Medicine. Completed MBBS at JIPMER and MD in Internal Medicine at PGIMER, followed by senior residency at AIIMS and NIMS, and served as Assistant Professor at Osmania Medical College, Hyderabad. In the U.S., gained clinical experience-working as a Medical Assistant at Jefferson Health through observerships, externships, volunteer work, and research assistant roles in Internal Medicine, Neurology, Emergency Medicine, Pulmonary Medicine, Nephrology, and Cardiology at prestigious institutions such as Beth Israel Deaconess (Harvard), Jefferson Health, Penn Medicine, MetroWest Medical Center, Hackensack Meridian, and Drexel University. Experienced in managing acute and chronic conditions, proficient in Epic EMR, and committed to delivering compassionate, patient-centered, and culturally competent care. Holds U.S. permanent residency (Green Card); no visa sponsorship needed.
