

MSU CHM Admissions Protocols for Admitted Students 2020

Dates	CHM Admissions Protocol	Pertinent Information
Oct 15-March 15	Admissions decisions announced	\$100 deposit is required to hold your seat in the class. We require that you acknowledge our Admissions Protocols.
February 19	AMCAS "PLAN TO ENROLL" option opens for admitted students on AMCAS	You may select one school to "PLAN TO ENROLL" on AMCAS if you wish after Feb. 19 . This is ultimately required by CHM. We understand that you might be holding other acceptances at this time. All medical schools will ask that you withdraw from any school where you do NOT plan to enroll as soon as possible. This is a professional courtesy that aids them in their planning.
By April 15	Admitted students reduce choices to three schools	CHM requires accepted students narrow their admittance offers to three medical schools, if applicable, in accordance to AMCAS protocol. Committing early allows us to build a class and a community with whom you will begin to interact.
April 22-29	Announcement of campus placements, certificate program offerings, and scholarship offers	We want you to know what saying "yes" back to us means. We are committed to give you all pertinent acceptance information to make the fullest decision available to you.
April 30	AMCAS "COMMIT TO ENROLL" opens on AMCAS	This is the last date that a CHM-admitted student may hold multiple acceptances. AMCAS also releases the names of those of you who have indicated "PLAN TO ENROLL". This is the last day to withdraw your acceptance and receive a deposit refund.
May 1	CHM requires "PLAN TO ENROLL" on AMCAS	We require you indicate "PLAN TO ENROLL" to be further considered for matriculation. If for due reason you are unable to indicate "PLAN TO ENROLL" on this date, you must immediately communicate with us your circumstances behind this action. Failure to do so will result in your application being withdrawn by CHM for further matriculation consideration.
May 1-July 1	Offers from waitlist schools	CHM requires applicants who receive acceptance offers from a waitlist school to notify us within 24 hours, including an indication of how much time that school has given you to make your decision. Failure to comply with this protocol may result in CHM rescinding your acceptance without due/acceptable explanation from the applicant.
May 1-July 1	"COMMIT TO ENROLL" on AMCAS	CHM requires that admitted students eventually select "COMMIT TO ENROLL" on AMCAS and withdraw all other applications. By selecting "COMMIT TO ENROLL", an admitted student has indicated that they have made their final selection and withdrawn from all waitlists. Failure to comply with this protocol may result in CHM rescinding your acceptance without due/acceptable explanation from the applicant.
July 1	Final day to indicate "COMMIT TO ENROLL"	CHM requires admitted students to select one school to "COMMIT TO ENROLL" on AMCAS by 5 pm EDT on July 1 . As per above, selecting "COMMIT TO ENROLL" indicates that you have made your final selection and withdrawn from all waitlists. Failure to comply with this protocol may result in CHM rescinding your acceptance without due/acceptable explanation from the applicant.
