Number	Track	Title
OSD110	Oral & Systemic Disease:	Foundations of Basic Science I
OSD111	Oral & Systemic Disease:	Foundations of Basic Science II
OSD101	Oral & Systemic Disease:	Gross Anatomy
OSD102	Oral & Systemic Disease:	System 1 Cardiology, Renal and Respiratory
OSD103	Oral & Systemic Disease:	Foundations of Microbiology
OSD104	Oral & Systemic Disease:	Foundations of Pharmacology
OSD105	Oral & Systemic Disease:	System 2 Gastrointestinal Endocrine and Reproductive
OSD106	Oral & Systemic Disease:	System 3 Neuroanatomy
OSD210	Oral & Systemic Disease:	System 4 Musculoskeletal
OSD211	Oral & Systemic Disease:	System 5 Hematology and Immunology
OSD201	Oral & Systemic Disease:	Soft Tissue, Bone and Cartilage Pathologies I
OSD202	Oral & Systemic Disease:	Oral Manifestations of Systemic Disease
OSD203	Oral & Systemic Disease:	Fund. Of Patient Assessment and Management
OSD300	Oral & Systemic Disease:	Overview of Medical Emergencies
OSD301	Oral & Systemic Disease:	Radiographic Differential Diagnosis
OSD302	Oral & Systemic Disease:	Oral Pathology
OSD303	Oral & Systemic Disease:	Oral Medicine
PFD100	Professionalism and Doctoring	Introduction to the Dental Profession
PFD110	Professionalism and Doctoring	Professional Responsibility
PFD101	Professionalism and Doctoring	Intro to Crit.Think and Lifelong learning
PFD111	Professionalism and Doctoring	Professional Responsibility
PFD103	Professionalism and Doctoring	Patient Management I
PFD112	Professionalism and Doctoring	Professional Responsibility
PFD200	Professionalism and Doctoring	Pt. Mgmt II
PFD210	Professionalism and Doctoring	Professional Responsibility
PFD201	Professionalism and Doctoring	Pt. Mgmt II
PFD211	Professionalism and Doctoring	Professional Responsibility
PFD202	Professionalism and Doctoring	Pt. Mgmt II
PFD212	Professionalism and Doctoring	Professional Responsibility
PFD203	Professionalism and Doctoring	Pt. Mgmt II
PFD213	Professionalism and Doctoring	Professional Responsibility
PFD300	Professionalism and Doctoring	Pt. Mgmt III
PFD310	Professionalism and Doctoring	Professional Responsibility
PFD301	Professionalism and Doctoring	Pt. Mgmt III
PFD311	Professionalism and Doctoring	Professional Responsibility
PFD302	Professionalism and Doctoring	Pt. Mgmt III
PFD312	Professionalism and Doctoring	Professional Responsibility
PFD303	Professionalism and Doctoring	Pt. Mgmt III
PFD304	Professionalism and Doctoring	Culture and Health
PFD410	Professionalism and Doctoring	Regulations of Dental Pracctice
PFD411	Professionalism and Doctoring	Practice Management IV
PFD420	Professionalism and Doctoring	Professional Responsibility
PFD402	Professionalism and Doctoring	Quality Assurance
PFD421	Professionalism and Doctoring	Professional Responsibility
PFD413	Professionalism and Doctoring	Pracitce Management IV
PFD422	Professionalism and Doctoring	Professional Responsibility

Course Numbering System
Reform Curriculum

PFD403	Professionalism and Doctoring	Pt. Mgmt IV
PFD423	Professionalism and Doctoring	Professional Responsibility
GDA103	Growth, Development & Aging	Face and Tooth
GDA200	Growth, Development & Aging	Infancy to Adolescence
GDA210	Growth, Development & Aging	Adolescence to Adulthood
GDA211	Growth, Development & Aging	Orthodontic Foundations
GDA401	Growth, Development & Aging	Active Senior Adulthood
RFE100	Restoration of Form, Function and Esthetics	Dental Morphology
RFE101	Restoration of Form, Function and Esthetics	Applied Dental Anatomy
RFE102	Restoration of Form, Function and Esthetics	Dental Materials Science
RFE103	Restoration of Form, Function and Esthetics	Direct Restorations 1
RFE104	Restoration of Form, Function and Esthetics	Direct Restorations 2
RFE105	Restoration of Form, Function and Esthetics	Clinical Applications of Dental Morphology and Occlusion
RFE106	Restoration of Form, Function and Esthetics	Indirect Restorations 1
RFE200	Restoration of Form, Function and Esthetics	Direct Restorations 3
RFE201	Restoration of Form, Function and Esthetics	Indirect Restorations 2
RFE 202	Restoration of Form, Function and Esthetics	Direct Restoration 4
RFE 203	Restoration of Form, Function and Esthetics	Indirect Restorations 3
RFE 204	Restoration of Form, Function and Esthetics	Complete Dentures
RFE 205	Restoration of Form, Function and Esthetics	Introduction to Endodontics
RFE206	Restoration of Form, Function and Esthetics	Complete Dentures
RFE207	Restoration of Form, Function and Esthetics	Direct Restoration 5
RFE208	Restoration of Form, Function and Esthetics	Indirect Restorations 4
RFE209	Restoration of Form, Function and Esthetics	Endodontic Technique
RFE210	Restoration of Form, Function and Esthetics	Clinical Occlusion
RFE211	Restoration of Form, Function and Esthetics	Direct Restoration 6
RFE212	Restoration of Form, Function and Esthetics	Indirect Restorations 5
RFE213	Restoration of Form, Function and Esthetics	Complete Dentures Clinic
RFE214	Restoration of Form, Function and Esthetics	Introduction to Clinical Endodontics
RFE216	Restoration of Form, Function and Esthetics	Introduction to Oral Surgery
RFE217	Restoration of Form, Function and Esthetics	Orthodontic Techniques
RFE218	Restoration of Form, Function	Pediatric Dentistry Preclinical Lab

Course Numbering System
Reform Curriculum

RFE302	Restoration of Form, Function and Esthetics	Clinical Endodontics
RFE303	Restoration of Form, Function and Esthetics	Removable Partial Dentures
RFE304	Restoration of Form, Function and Esthetics	Adv. Endodontic Diagnosis & Treatment
RFE305/306	Restoration of Form, Function and Esthetics	Removable Partial Dentures
RFE307	Restoration of Form, Function and Esthetics	OS: Implants and Preprosthetic Surgery
RFE308	Restoration of Form, Function and Esthetics	Jaw Pain and Dysfunction
RFE310	Restoration of Form, Function and Esthetics	Advanced Prosthodontics
RFE311	Restoration of Form, Function and Esthetics	Implant Dentistry
RFE312	Restoration of Form, Function and Esthetics	Advanced Restorative Dentistry
RFE313	Restoration of Form, Function and Esthetics	Esthetic Dentistry
RFE314	Restoration of Form, Function and Esthetics	Advanced Oral Surgery II
RFE315	Restoration of Form, Function and Esthetics	Implant Dentistry & Adv Pros
RFE316	Restoration of Form, Function and Esthetics	Orofacial Pain
RFE317	Restoration of Form, Function and Esthetics	Interdisciplinary Orthodontics
RFE400	Restoration of Form, Function and Esthetics	Advanced Biomaterials
RFE401	Restoration of Form, Function and Esthetics	Head & Neck Cancer & Maxillofacial Prosthodontics
PER100	Periodontics	Introduction to Periodontics
PER200	Periodontics	Periodontal Instrumentation
PER201	Periodontics	Periodontics II
PER202	Periodontics	Periodontics II
PER300	Periodontics	Clinical Periodontics
PER301	Periodontics	Clinical Periodontics
CAR101	Cariology	Fundamentals of Caries as an Infectious Disease
CAR102	Cariology	Selected Clinical Topics in Dental Caries
CAR200	Cariology	Caries Lesion Detection and Prevention Technologies CAMBRA Clinical Protocol
IDS100	Interdisciplinary Dent. Science	Foundations of Radiology
IDS200	Interdisciplinary Dent. Science	Local Anesthesia
IDS201	Interdisciplinary Dent. Science	Oral Radiology
IDS202	Interdisciplinary Dent. Science	Treatment Planning/ Case Mgmt
IDS300	Interdisciplinary Dent. Science	Anxiety and Pain Control
IDS301	Interdisciplinary Dent. Science	Pediatric Treatment Planning
