SUMMER ACADEMIC ENRICHMENT PROGRAM

Thinking about applying to Dental, Medical,
Pharmacy or Physical Therapy school?

Give yourself a competitive edge.

SUMMER ACADEMIC ENRICHMENT PROGRAM

SAEP is an intensive, six-week inter-professional academic enrichment program located on the VCU medical college campus in Richmond, Va. The program enhances the academic preparation of junior and senior undergraduate students and post-baccalaureate students who are actively pursuing enrollment in a health professions school.

There is no cost to participants—on-campus housing and a stipend is provided.

PROGRAM HIGHLIGHTS

- Introduction to the rigor of first-year health professions courses at VCU through three professional-level science courses
- Discipline-specific instruction in chosen track (dentistry, medicine, pharmacy or physical therapy)
- Workshops on admissions, professionalism, test-taking and learning skills
- Individual and group counseling
- Mock interviews
- Seminars on current and relevant health sciences topics
- Community service opportunities
- Networking and social events

**Applications accepted
beginning Oct. 15, 2014 for
the following summer.**

2015 program dates: May 19-July 1, 2015

Deadline to apply: Feb. 1, 2015

For more information or to apply, visit
dhsd.vcu.edu, call (804) 827-0982
or e-mail pipelineapp@vcu.edu.

SAEP is a partnership between the VCU Division for Health Sciences Diversity, the Schools of Dentistry, Medicine and Pharmacy and the Department of Physical Therapy.
