IMPORTANT NOTICE ABOUT STANDARD STUDENT BUDGETS

The standard Student Budget is an estimate of the cost of attending Nova Southeastern University and maintaining a modest but adequate standard of living. Federal legislation limits the budget to the Student's own living expenses for enrollment periods only. The budget is not intended to reflect living expenses for a student's spouse or other dependents. We recommend that you calculate your personal budget in comparison with the Standard Student Budget, and make adjustments when possible or consider other resources (in addition to financial aid) available to you. Tuition and Fees subject to change.
