**From:** Leslie Goldstein Pharm.D., Chair, BHS-IRB

**Cc:** Human Protections Administrator

**Re:**                   **Protocol Number:**       BHS-1826

**Title: Attitudes of Medical Students Across the Country Towards an Integrated Business & Medicine Course**

**Exemption Category: 2**

**Other Researchers:**

Jonathan Muratori

Aidan Papalia

Daniella Shamalova

Samuel Tringali

I am pleased to inform you that the above referenced project is exempt from IRB review under the category shown above. No further action is required unless the project is modified significantly. If you plan substantial changes to the project, please be sure to contact the IRB before implementing the changes, as they may change the project's status.

Thank you for submitting this project to the IRB and working with us to maintain the highest ethical standards in research. Please contact me or the Office of Sponsored Programs and Research at 516-686-7488 if you have questions about the Human Research Protections program at NYIT.

Good luck on your project.
