

TILMAN J. FERTITTA FAMILY COLLEGE OF MEDICINE
UNIVERSITY OF HOUSTON
2026 RESIDENCY MATCH

The Tilman J. Fertitta Family College of Medicine University of Houston has had a successful match process through the National Resident Match Program (NRMP). The NRMP oversees a computerized process that links choices of graduating medical students with preferences of Residency Program Directors. Results were announced on “Match Day,” March 20, 2026.

Overall, the College of Medicine had a **100%** MATCH rate for the 2026 cycle. A total of 19 students have been accepted to programs in the Greater Houston area, **69%** are remaining in Texas and **65%** have matched in primary care. We are very proud of this graduating class, and we wish them continued success and happiness. We are confident that they will continue to rise to the challenges ahead and become great physicians.

Match Day is the culmination of four years of rigorous work and intentional effort. We appreciate the dedication of our faculty and voluntary specialty advisors who have supported our students through the application process. We know that they will represent the College of Medicine well. Congratulations!

Below are the 2026 MATCH results:

Location	Specialty
Baylor S&W-Baylor COM Temple-TX	Anesthesiology
Virginia Commonwealth U Health Sys	Anesthesiology
U Texas HSC-Houston	Anesthesiology
U Texas HSC-Houston	Anesthesiology
