

A new MS-4 emergency medicine sub-internship at Baylor Scott & White All Saints Medical Center – Fort Worth

As part of the development of a new EM residency program, we are proud to announce this new 4th year medical student rotation at Baylor Scott & White All Saints Medical Center – Fort Worth in affiliation with the TCU and UNTHSC School of Medicine.

Why Choose Baylor Scott & White – Fort Worth?

- Diverse patient population
- Array of medical and surgical sub-specialties
- One of the largest women's health centers in North Texas
- Certified chest pain and stroke center
- Leading cardiovascular programs in the metroplex
- Houses the Sammons transplant program, part of one of the largest transplant programs in the country

Fort Worth is the 13th largest city in the nation with a diverse patient population and a community focused on education, research and innovation. Designated as one of America's most livable communities because of the low cost of living, the diverse night life, proximity to other big cities and the cowboy culture, it's easy to make Fort Worth home.

— TCU and UNTHSC —
School of Medicine

Apply through VSAS, 4 weeks in length

Rotation start dates:

June 8, 2020

July 6, 2020

August 3, 2020

August 31, 2020

September 28, 2020

- Students applying to EM residencies will be eligible to receive a Standardized Letter of Evaluation (SLOE) upon request
- One-on-one experience with academic and clinical EM Faculty in the Emergency Department
- Participation in the initial stabilization, evaluation, and management of a diverse patient population
- Shift experience supplemented with a robust simulation and didactic curriculum
