NC STATE SUPPLEMENTAL APPLICATION

The NC State DVM Program evaluates all completed applications (a completed application constitutes BOTH the VMCAS and this NC State supplemental). In order for your application to be considered completed:
1) this NC State supplemental application must be completed and submitted by the VMCAS deadline.
2) the \$80.00 supplemental application fee must be paid in full by credit card.

Directions on supplemental fee payment will be sent to applicants once the application is loaded from VMCAS to NC State. The university waives the supplemental application fee payment for service members and veterans.
For more information on the College of Veterinary Medicine at NC State University and admission requirements, please visit the [CVM website](#).
If you have specific admissions related questions, please email us at dvmadmissions@ncsu.edu.
