

## VIRTUAL CONFERENCE

**JANUARY 23** to **2021**  
**FEBRUARY 21**

**FOUNDATION FOR  
PODIATRIC MEDICINE**  
CELEBRATING 35 YEARS

## CONFERENCE PROGRAM

**JAN 23  
THROUGH  
FEB 21  
2021**

**THANK YOU  
TO OUR SPONSORS**

The Foundation for Podiatric Medicine wishes everyone well during these trying times. As the COVID-19 pandemic continues, we, like so many other organizations, look to keep that safety and wellbeing of our attendees a top priority. Therefore, the Foundation for Podiatric Medicine is excited to announce that the NY21 Clinical Conference is going virtual! Although we are sad that we are unable to gather in person, NY21 guarantees to provide the most state-of-the-art podiatric education including the latest proven practices within podiatric medicine and foot and ankle surgery.

NY21 assures innovative and engaging general lecture presentations by top faculty within the field of podiatric medicine and beyond imparting the most contemporary information and research. Additional programming will include a coding and billing seminar and webinars with our partners.

Our new format will also allow for exciting new opportunities virtually. Attendees will be able to build their own conference agenda that works for their personal and professional schedules by selecting whether to watch live lectures over three weekends or recorded lectures at their leisure over the course of a month. We will also have a Virtual Exhibit Hall where attendees will meet and discuss the latest products and technology with our exhibitors.

Make sure to check out our NY21 website, [nyspma.org/NY21](https://nyspma.org/NY21) for more information about our continuing to evolve program, pre-conference seminars, faculty, sponsors and exhibitors. Keep your eye out for Foundation emails with NY21 updates and opportunities!

**NY21 will deliver the most cutting edge and “can’t miss” podiatric medicine lectures! Make sure you don’t miss out – and save the dates! We look forward to seeing you virtually at NY21 and hope to see everyone in person very soon.**

William Spielfogel, DPM  
President, Foundation for Podiatric Medicine

## FOUNDATION FOR PODIATRIC MEDICINE

### BOARD OF DIRECTORS

William D. Spielfogel, DPM, President  
Charles M. Lombardi, DPM, Vice President  
Daniel B. Keating, DPM, Treasurer

### NYSPMA

555 Eighth Avenue | Suite 1902  
New York, NY 10018  
[www.nyspma.org/ny21](https://www.nyspma.org/ny21)

Attendees at NY21 will be able to build their own conference agenda that works for their personal and professional schedules by selecting whether to watch live lectures over three weekends or recorded lectures at their leisure over the course of a month, from January 23 to February 21, 2021.

To the right are the times for the live lectures and seminars. Please note that the same programming will repeat the Saturday and Sunday of each weekend to accommodate for religious observances. Any programming that will not be available as a recording is noted with an asterisk.

**To receive CECH credit, you will be required to complete an attendance verification activity for any live lectures/sessions you attend and a graded assessment for any recorded lectures/sessions you attend in addition to completing an electronic evaluation. For more information regarding CECH, please visit [nyspma.org/ny21](http://nyspma.org/ny21).**
