

Are you a pediatrician or pediatric resident
interested in becoming board certified in
Child/Adolescent and Adult Psychiatry?

If so, please join us at the
**POST-PEDIATRIC PORTAL
PSYCHIATRY FELLOWSHIP**
virtual information session!

Tuesday, November 10, 2020
7:00 – 8:30 PM EDT

Link for Event:
<https://bluejeans.com/719194946>

This is a free information session and discussion forum for
pediatricians and pediatric residents who are interested in
further training in adult and child/adolescent psychiatry.

Attendees will be able to learn:

- General information about the PPPP fellowship
- Information about the individual programs
- What it's like to train in adult and child psychiatry
- What alumni do after fellowship

There will also be time for questions and networking with
current and former PPPP fellows from all the programs,
including fellows just out of residency and those who joined
the fellowship after years in practice.
