We are currently seeking a Physician Assistant or Nurse Practitioner for our very fast paced Men's Health Clinic to start like yesterday. Our Medical Director is Paul Goldman Internal Medicine). The role entails direct patient interaction for full primary care services, testosterone treatment with an already established protocol, and monitoring our in house lab. There is potential for professional growth and continued financial growth. This is a daytime position, mostly Monday though Friday. Paid vacation, sick pay, and holidays. Licensing, CME, and malpractice coverage provided. Very competitive salary! PA needs to have great patient relationship skills, active and in good standing license, no current or pending malpractice lawsuits or DEA/DPS suspension. Must be able to electronically record medical notes. Preferred experience in Primary Care.
