Important Score Reporting Information: Please note, your scores will not be sent to any school(s) you selected on your DAT application or to AADSAS and/or TMDSAS until your scores are officially posted to your My Account. **Reporting generally takes 2-3 weeks from your exam date, but can take up to 4 weeks.**

Exam Retake: If you decide to retake the exam, you will not be able to submit a new DAT application until your scores are officially posted to your My Account.

You can access My Account on www.ada.org/dentpin.

	<u>Standard Score</u>
Perceptual Ability	21
Quantitative Reasoning	21
Reading Comprehension	30
Biology	20
General Chemistry	22
Organic Chemistry	21
Total Science	21
Academic Average	23

Standard scores used in the testing program range from 1 to 30. Only the standard scores are reported to the dental schools. Through the use of standard scores, it is possible to compare the performance of examinees taking different editions of the Dental Admission Test.

The **Academic Average** is the average of five scores rounded to the nearest whole number: Quantitative Reasoning, Reading Comprehension, Biology, General Chemistry, and Organic Chemistry.

The **Total Science** score is a standard score based on all 100 questions in the Biology, General Chemistry, and Organic Chemistry tests. It is **not** the average of the three science standard scores.
