

RESEARCH STUDY

EXPLORING SELF-DIRECTED LEARNING AMONG HEALTH PROFESSIONAL STUDENTS

Are you 18 years of age or older enrolled in a Health Professional program in the US? If yes, then you may be eligible

Participant Responsibilities: Complete an online screener and if selected for the study then complete an online survey.
Estimated time for both 35 minutes

Benefits: Participants may become aware of their learning strategies

Compensation: Selected participants who complete a 30-minute online anonymous survey will receive a \$10 gift card
