

Task List

10/04/2018

- Read EK Biology 1 Lecture 1 [Complete the entire unit today.]
- Read EK Biology 1 Lecture 3 [Complete the entire unit today.]

10/06/2018

- Read EK Biology 1 Lecture 2 [Complete the entire unit today.]
- Read EK Biology 1 Lecture 4 [Complete roughly 1/2 of this task. You should be 50% done.]

10/07/2018

- Read EK Chemistry Lecture 1 [Complete the entire unit today.]

10/08/2018

- Read EK Chemistry Lecture 2 [Complete the entire unit today.]
- Read EK Chemistry Lecture 3 [Complete roughly 3/4 of this task. You should be 75% done.]

10/10/2018

- Read EK Physics Lecture 1 [Complete the entire unit today.]
- Read EK Physics Lecture 2 [Complete roughly 3/4 of this task. You should be 75% done.]

10/11/2018

- Read EK Psych/Soc Lecture 1 [Complete the entire unit today.]
- Read EK Psych/Soc Lecture 2 [Complete the entire unit today.]
- Read EK Psych/Soc Lecture 3 [Complete roughly 1/4 of this task. You should be 25% done.]

10/13/2018

- Read EK Reasoning Skills Lecture i [Complete the entire unit today.]
- Read Kaplan Physics and Math Chapter 10 [Complete roughly 3/4 of this task. You should be 75% done.]

10/14/2018

- Read EK Reasoning Skills Lecture ii [Complete the entire unit today.]
- Read Kaplan Physics and Math Chapter 11 [Complete roughly 3/4 of this task. You should be 75% done.]

10/15/2018

- Read EK Reasoning Skills Lecture 1 [Complete the entire unit today.]
- Read EK Reasoning Skills Lecture 2 [Complete the entire unit today.]
- Read EK Reasoning Skills Lecture 3 [Complete the entire unit today.]

10/17/2018

- Read Kaplan CARS Chapter 1 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 2 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 3 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 4 [Complete the entire unit today.]

10/18/2018

- Read TPR Biology Chapter 1 [Complete the entire unit today.]
- Read TPR CARS Chapter 1 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 1 [Complete the entire unit today.]
- Read TPR Organic Chemistry Chapter 1 [Complete roughly 3/4 of this task. You should be 75% done.]

10/20/2018

- Watch KA Amino acids and proteins videos [Complete the entire unit today.]
- Watch KA Enzyme structure and function videos [Complete the entire unit today.]
- Watch KA Enzyme kinetics videos [Complete the entire unit today.]
- Watch KA DNA videos [Complete roughly 3/4 of this task. You should be 75% done.]

10/21/2018

- Read EK Biology 1 Lecture 4 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read EK Biology 2 Lecture 1 [Complete the entire unit today.]

10/22/2018

- Read EK Chemistry Lecture 4 [Complete the entire unit today.]
- Read EK Chemistry Lecture 5 [Complete roughly 3/4 of this task. You should be 75% done.]

10/24/2018

- Read EK Chemistry Lecture 3 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Organic Chemistry Chapter 1 [Complete the entire unit today.]
- Read Kaplan Organic Chemistry Chapter 2 [Complete roughly 1/2 of this task. You should be 50% done.]

10/25/2018

- Read EK Physics Lecture 2 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read EK Physics Lecture 3 [Complete the entire unit today.]
- Read EK Physics Lecture 4 [Complete roughly 3/4 of this task. You should be 75% done.]

10/27/2018

- Read EK Psych/Soc Lecture 3 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read EK Psych/Soc Lecture 4 [Complete the entire unit today.]

10/28/2018

- Read Kaplan Physics and Math Chapter 10 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read TPR General Chemistry Chapter 13 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 14 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 15 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 15 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 16 [Complete roughly 1/4 of this task. You should be 25% done.]

10/29/2018

- Read Kaplan Physics and Math Chapter 11 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Physics and Math Chapter 12 [Complete the entire unit today.]
- Read TPR Physics/Math Appendix [Complete roughly 1/4 of this task. You should be 25% done.]

10/31/2018

- Read EK Reasoning Skills Lecture 4 [Complete the entire unit today.]
- Read TPR CARS Chapter 2 [Complete roughly 3/4 of this task. You should be 75% done.]

11/01/2018

- Read Kaplan CARS Chapter 5 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 6 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 7 [Complete the entire unit today.]

11/03/2018

- Read TPR Organic Chemistry Chapter 1 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read TPR Physics/Math Chapter 1 [Complete the entire unit today.]
- Read TPR Psych/Soc Chapter 1 [Complete the entire unit today.]
- Watch KA DNA videos [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Principles of bioenergetics videos [Complete the entire unit today.]
- Watch KA Overview of metabolism videos [Complete roughly 1/4 of this task. You should be 25% done.]

11/04/2018

- Read EK Biology 2 Lecture 2 [Complete the entire unit today.]
- Read EK Biology 2 Lecture 3 [Complete roughly 1/2 of this task. You should be 50% done.]

11/05/2018

- Read EK Chemistry Lecture 5 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read EK Chemistry Lecture 6 [Complete the entire unit today.]
- Read EK Chemistry Lecture 7 [Complete roughly 1/2 of this task. You should be 50% done.]

11/07/2018

- Read Kaplan Organic Chemistry Chapter 2 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan Organic Chemistry Chapter 3 [Complete the entire unit today.]
- Read Kaplan Organic Chemistry Chapter 4 [Complete roughly 1/2 of this task. You should be 50% done.]

11/08/2018

- Read EK Physics Lecture 4 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read EK Physics Lecture 5 [Complete roughly 3/4 of this task. You should be 75% done.]

11/10/2018

- Read EK Psych/Soc Lecture 5 [Complete the entire unit today.]
- Read TPR Psych/Soc Chapter 2 [Complete the entire unit today.]
- Read TPR Psych/Soc Chapter 3 [Complete roughly 1/4 of this task. You should be 25% done.]

11/11/2018

- Read TPR Physics/Math Chapter 16 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR Physics/Math Chapter 17 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 18 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 19 [Complete the entire unit today.]
- Read TPR Physics/Math Appendix [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR CARS Chapter 2 [Complete roughly 1/4 of this task. You should now be finished with this unit.]

11/12/2018

- Read Kaplan CARS Chapter 8 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 9 [Complete the entire unit today.]

11/14/2018

- Watch KA Overview of metabolism videos [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Watch KA Carbohydrates videos [Complete the entire unit today.]
- Watch KA Carbohydrate metabolism videos [Complete the entire unit today.]

11/15/2018

- Read EK Biology 2 Lecture 3 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read EK Biology 2 Lecture 4 [Complete the entire unit today.]

11/17/2018

- Read EK Chemistry Lecture 7 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR General Chemistry Chapter 2 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 3 [Complete the entire unit today.]

11/18/2018

- Read Kaplan Organic Chemistry Chapter 4 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan Organic Chemistry Chapter 5 [Complete the entire unit today.]
- Read Kaplan Organic Chemistry Chapter 6 [Complete roughly 1/2 of this task. You should be 50% done.]

11/19/2018

- Read EK Physics Lecture 5 [Complete roughly 1/4 of this task. You should now be finished with this unit.]

- Read Kaplan CARS Chapter 10 [Complete the entire unit today.]
- Read Kaplan CARS Chapter 11 [Complete roughly 1/2 of this task. You should be 50% done.]

11/25/2018

- Watch KA Krebs cycle and oxidative phosphorylation videos [Complete the entire unit today.]
- Watch KA Fat and protein metabolism videos [Complete the entire unit today.]
- Watch KA Endocrine system videos [Complete roughly 3/4 of this task. You should be 75% done.]

11/26/2018

- Read EK Biology 2 Lecture 5 [Complete the entire unit today.]
- Read EK Biology 2 Lecture 6 [Complete roughly 3/4 of this task. You should be 75% done.]

11/28/2018

- Read TPR General Chemistry Chapter 4 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 5 [Complete roughly 1/4 of this task. You should be 25% done.]

11/29/2018

- Read Kaplan Organic Chemistry Chapter 6 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan Organic Chemistry Chapter 7 [Complete the entire unit today.]
- Read Kaplan Organic Chemistry Chapter 8 [Complete the entire unit today.]

12/01/2018

- Read Kaplan Physics and Math Chapter 1 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Physics and Math Chapter 2 [Complete the entire unit today.]
- Read Kaplan Physics and Math Chapter 3 [Complete roughly 1/4 of this task. You should be 25% done.]

12/02/2018

- Read TPR Psych/Soc Chapter 4 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR Psych/Soc Chapter 5 [Complete roughly 1/2 of this task. You should be 50% done.]

12/03/2018

- Read TPR CARS Chapter 4 [Complete roughly 3/4 of this task. You should be 75% done.]

12/05/2018

- Read Kaplan CARS Chapter 11 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan CARS Chapter 12 [Complete the entire unit today.]
- Watch KA Endocrine system videos [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Hormonal regulation videos [Complete the entire unit today.]
- Complete The Princeton Review Biochemistry (2nd ed) Chapter 1 [Complete roughly 1/4 of this task. You should be 25% done.]

12/06/2018

- Read EK Biology 2 Lecture 6 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Biology Chapter 1 [Complete the entire unit today.]
- Read Kaplan Biology Chapter 2 [Complete roughly 1/2 of this task. You should be 50% done.]

- Read Kaplan Biology Chapter 3 [Complete the entire unit today.]
- Read Kaplan Biology Chapter 4 [Complete roughly 3/4 of this task. You should be 75% done.]

12/17/2018

- Read TPR General Chemistry Chapter 7 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR General Chemistry Chapter 8 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 9 [Complete roughly 3/4 of this task. You should be 75% done.]

12/19/2018

- Read Kaplan Organic Chemistry Chapter 11 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read Kaplan Organic Chemistry Chapter 12 [Complete the entire unit today.]
- Read TPR Organic Chemistry Chapter 2 [Complete roughly 1/2 of this task. You should be 50% done.]

12/20/2018

- Read Kaplan Physics and Math Chapter 4 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Physics and Math Chapter 5 [Complete the entire unit today.]
- Complete EK Reasoning Skills 30 Min Exam 1 [Complete the entire unit today.]

12/22/2018

- Read TPR Psych/Soc Chapter 6 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Psych/Soc Chapter 7 [Complete roughly 1/2 of this task. You should be 50% done.]

12/23/2018

- Read TPR CARS Chapter 6 [Complete the entire unit today.]
- Read TPR CARS Chapter 7 [Complete roughly 3/4 of this task. You should be 75% done.]

12/24/2018

- Complete The Princeton Review Biochemistry (2nd ed) Chapter 3 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Complete The Princeton Review Biochemistry (2nd ed) Chapter 4 [Complete the entire unit today.]
- Complete The Princeton Review Biochemistry (2nd ed) Chapter 5 [Complete roughly 1/4 of this task. You should be 25% done.]

12/26/2018

- Read Kaplan Biology Chapter 4 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Biology Chapter 5 [Complete the entire unit today.]
- Read Kaplan Biology Chapter 6 [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete EK Reasoning Skills 30 Min Exam 2 [Complete the entire unit today.]

12/27/2018

- Read TPR General Chemistry Chapter 9 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read TPR General Chemistry Chapter 10 [Complete the entire unit today.]
- Read TPR General Chemistry Chapter 11 [Complete roughly 1/2 of this task. You should be 50% done.]
- Complete EK Reasoning Skills 30 Min Exam 3 [Complete the entire unit today.]

12/29/2018

- Read TPR Organic Chemistry Chapter 2 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Organic Chemistry Chapter 3 [Complete the entire unit today.]
- Read TPR Organic Chemistry Chapter 4 [Complete roughly 1/2 of this task. You should be 50% done.]

12/30/2018

- Read Kaplan Physics and Math Chapter 6 [Complete the entire unit today.]
- Read Kaplan Physics and Math Chapter 7 [Complete roughly 1/2 of this task. You should be 50% done.]

12/31/2018

- Read TPR Psych/Soc Chapter 7 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Psych/Soc Chapter 8 [Complete roughly 1/2 of this task. You should be 50% done.]

01/02/2019

- Read TPR CARS Chapter 7 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read TPR CARS Chapter 8 [Complete the entire unit today.]

01/03/2019

- Complete The Princeton Review Biochemistry (2nd ed) Chapter 5 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Complete The Princeton Review Biochemistry (2nd ed) Chapter 6 [Complete the entire unit today.]

01/05/2019

- Read Kaplan Biology Chapter 6 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read Kaplan Biology Chapter 7 [Complete the entire unit today.]
- Read Kaplan Biology Chapter 8 [Complete roughly 1/2 of this task. You should be 50% done.]

01/06/2019

- Read TPR General Chemistry Chapter 11 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR General Chemistry Chapter 12 [Complete roughly 3/4 of this task. You should be 75% done.]

01/07/2019

- Read TPR Organic Chemistry Chapter 4 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Organic Chemistry Chapter 5 [Complete roughly 1/2 of this task. You should be 50% done.]

01/09/2019

- Read Kaplan Physics and Math Chapter 7 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan Physics and Math Chapter 8 [Complete roughly 3/4 of this task. You should be 75% done.]
- Complete EK Reasoning Skills 30 Min Exam 4 [Complete the entire unit today.]

01/10/2019

- Read TPR Psych/Soc Chapter 8 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Watch KA Biological basis of behavior: nervous system videos [Complete roughly 3/4 of this task. You should be 75% done.]

01/12/2019

- Read TPR CARS Chapter 9 [Complete the entire unit today.]
- Read TPR CARS Appendix [Complete the entire unit today.]
- Complete The Princeton Review Biochemistry (2nd ed) Chapter 7 [Complete the entire unit today.]

01/13/2019

- Read Kaplan Biology Chapter 8 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan Biology Chapter 9 [Complete the entire unit today.]
- Read Kaplan Biology Chapter 10 [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete 3 Khan Academy CARS PBQs Set #1 [Complete the entire unit today.]

01/14/2019

- Read TPR General Chemistry Chapter 12 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Acid/base videos [Complete the entire unit today.]
- Watch KA Titration videos [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete 3 Khan Academy CARS PBQs Set #2 [Complete the entire unit today.]

01/16/2019

- Read TPR Organic Chemistry Chapter 5 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Organic Chemistry Chapter 6 [Complete roughly 3/4 of this task. You should be 75% done.]

01/17/2019

- Read Kaplan Physics and Math Chapter 8 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read Kaplan Physics and Math Chapter 9 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 2 [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete 3 Khan Academy CARS PBQs Set #3 [Complete the entire unit today.]

01/19/2019

- Watch KA Biological basis of behavior: nervous system videos [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Human development videos [Complete the entire unit today.]
- Watch KA Behavior and genetics videos [Complete the entire unit today.]
- Watch KA Motivation and attitudes videos [Complete roughly 1/2 of this task. You should be 50% done.]
- Complete 3 Khan Academy CARS PBQs Set #4 [Complete the entire unit today.]

01/20/2019

- Complete The Princeton Review Biochemistry (2nd ed) Appendix [Complete the entire unit today.]
- Read Kaplan Biology Chapter 10 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read Kaplan Biology Chapter 11 [Complete roughly 1/2 of this task. You should be 50% done.]
- Complete 3 Khan Academy CARS PBQs Set #5 [Complete the entire unit today.]

01/21/2019

- Watch KA Titration videos [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Watch KA Solubility equilibria videos [Complete the entire unit today.]
- Watch KA Covalent bonds videos [Complete roughly 1/2 of this task. You should be 50% done.]

01/23/2019

- Read TPR Organic Chemistry Chapter 6 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read TPR Organic Chemistry Chapter 7 [Complete roughly 3/4 of this task. You should be 75% done.]
- Complete 3 Khan Academy CARS PBQs Set #6 [Complete the entire unit today.]

01/24/2019

- Read TPR Physics/Math Chapter 2 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR Physics/Math Chapter 3 [Complete the entire unit today.]

01/26/2019

- Watch KA Motivation and attitudes videos [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Watch KA Theories of personality videos [Complete the entire unit today.]
- Watch KA Psychological disorders videos [Complete roughly 3/4 of this task. You should be 75% done.]

01/27/2019

- Read Kaplan Biology Chapter 11 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read Kaplan Biology Chapter 12 [Complete the entire unit today.]
- Read TPR Biology Chapter 2 [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete 3 Khan Academy CARS PBQs Set #7 [Complete the entire unit today.]

01/28/2019

- Watch KA Covalent bonds videos [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Watch KA Nucleic acids, lipids, and carbohydrates videos [Complete the entire unit today.]
- Watch KA Enzymes videos [Complete the entire unit today.]
- Complete 3 Khan Academy CARS PBQs Set #8 [Complete the entire unit today.]

01/30/2019

- Read TPR Organic Chemistry Chapter 7 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Dot structures videos [Complete the entire unit today.]
- Watch KA Stereochemistry videos [Complete roughly 3/4 of this task. You should be 75% done.]

01/31/2019

- Read TPR Physics/Math Chapter 4 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 5 [Complete roughly 1/2 of this task. You should be 50% done.]
- Complete 3 Khan Academy CARS PBQs Set #9 [Complete the entire unit today.]

02/02/2019

- Watch KA Psychological disorders videos [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Social psychology videos [Complete the entire unit today.]
- Watch KA Normative and nonnormative behavior videos [Complete the entire unit today.]
- Watch KA Learning videos [Complete roughly 3/4 of this task. You should be 75% done.]
- Complete 3 Khan Academy CARS PBQs Set #10 [Complete the entire unit today.]

02/03/2019

- Read TPR Biology Chapter 2 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR Biology Chapter 3 [Complete roughly 1/2 of this task. You should be 50% done.]

02/04/2019

- Watch KA Kinetics videos [Complete the entire unit today.]
- Watch KA Equilibrium videos [Complete the entire unit today.]

02/06/2019

- Watch KA Stereochemistry videos [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Separations and purifications videos [Complete the entire unit today.]
- Watch KA Amino acids, peptides, and proteins videos [Complete the entire unit today.]
- Watch KA Proteins videos [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete 3 Khan Academy CARS PBQs Set #11 [Complete the entire unit today.]

02/07/2019

- Read TPR Physics/Math Chapter 5 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Physics/Math Chapter 6 [Complete roughly 3/4 of this task. You should be 75% done.]

02/09/2019

- Watch KA Learning videos [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Watch KA Theories of attitude and behavior change videos [Complete the entire unit today.]
- Read TPR Biology Chapter 3 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Read TPR Biology Chapter 4 [Complete roughly 1/4 of this task. You should be 25% done.]
- Complete 3 Khan Academy CARS PBQs Set #12 [Complete the entire unit today.]

02/10/2019

- Watch KA Bioenergetics videos [Complete the entire unit today.]
- Watch KA Thermodynamics videos [Complete the entire unit today.]
- Watch KA Thermochemistry videos [Complete roughly 1/2 of this task. You should be 50% done.]

02/11/2019

- Watch KA Proteins videos [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Watch KA Carbohydrates videos [Complete the entire unit today.]
- Watch KA Alpha-carbon chemistry videos [Complete the entire unit today.]
- Watch KA Aldehydes and ketones videos [Complete roughly 1/4 of this task. You should be 25% done.]

02/13/2019

- Read TPR Physics/Math Chapter 6 [Complete roughly 1/4 of this task. You should now be finished with this unit.]
- Read TPR Physics/Math Chapter 7 [Complete the entire unit today.]
- Read TPR Physics/Math Chapter 8 [Complete roughly 1/2 of this task. You should be 50% done.]

02/14/2019

- Read TPR Biology Chapter 4 [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Read TPR Biology Chapter 5 [Complete roughly 1/2 of this task. You should be 50% done.]
- Complete 3 NextStep MCAT Verbal 108 (3rd edition) Practice Passages Set #1 [Complete the entire unit today.]

02/16/2019

- Watch KA Thermochemistry videos [Complete roughly 1/2 of this task. You should now be finished with this unit.]
- Watch KA Aldehydes and ketones videos [Complete roughly 3/4 of this task. You should now be finished with this unit.]
- Watch KA Alcohols and phenols videos [Complete roughly 1/2 of this task. You should be 50% done.]
- Complete 3 NextStep MCAT Verbal 108 (3rd edition) Practice Passages Set #2 [Complete the entire unit today.]

02/17/2019

- Read TPR Physics/Math Chapter 8 [Complete roughly 1/2 of this task. You should now be finished with this unit.]
