

Join our TAKE on HIV Steering Committee

Targeted Access Knowledge and Education on HIV
for Health Professions Programs

TAKE on HIV is a program that provides free training, tools, and technical assistance to support integration of the **National HIV Curriculum** e-learning platform into health professions programs. Our goal is to support the delivery of evidence-based, high-quality HIV knowledge content with tailored training and technical assistance for integration.

We are seeking **People with HIV (PWH)** or **family members of PWH** to be members of the TAKE on HIV Steering Committee. This committee is comprised of a diverse group of stakeholders who review program progress and provide feedback on its implementation and dissemination activities. In this role, you will represent the perspectives, challenges, and priorities of PWH or family members of PWH.

Expectations:

- Attend quarterly virtual meetings
- Correspond occasionally between meetings
- Provide feedback on program activities

This is a paid position.
