Can I have my deposit back? I had to choose between applying to Temple and having food for an entire week in August.

Dear Jeffrey:

Thank you for your interest in Temple University School of Medicine. The Admissions Committee has completed its review of your application for the 2011 entering class. I regret to inform you that the Committee has withdrawn your application from further consideration.

This year we received over 10,000 applications for the two-hundred ten positions available. Many of these applications were from highly capable candidates. We make a sincere effort to select the most appropriate from amongst this talented group; but we do so with an understanding of the difficulty of our undertaking.

I would like to again thank you for your interest in Temple and wish you success in your future endeavors.

Sincerely yours,
